THERE WILL BY A MINIMUM CHARGE OF ONE (1) MONTHLY USAGE FEE PER ACCOUNT.

* Shall be reviewed on a case-by-case basis by the board.

** Prorated above minimum area.

For establishments of any kind falling into more than one of the above categories, each separate category would be computed individually and then all the categories totaled for that establishment's total monthly charge. Charges and/or SFEs for sporadic, non-recurring user discharges, or for special uses for which historic loading factors are not included above, will be equitably determined by the District based on the proportionate costs of operation and the actual loading parameters of the discharged wastes.

For establishments not included in any of the above categories, the charges will be equitably determined by the District.

User fees and charges and tap fees for out-of-district users shall be three (3) times the rate established for district users.

Section 3. The tap inspection fee shall be \$50.00 and will include the appropriate tap materials and one inspection visit. If damage occurs to the sewer main during tapping or additional inspection visits are necessary, an additional charge will be based upon the number of hours of the Inspector's time at a rate of \$30.00 per hour and shall be paid prior to activation of the tap. These fees shall be subject to change from time to time by the Board of Directors.
