SAMMONS MOVED TO APPROVE THE AGENDA AS PRESENTED. MARTINSON SECONDED. ALL "AYE" VOTES.

There were no public comments.

Public Works Report – Public Works Director Jason Bock reported:

- Culvert put in at Jackson and 11<sup>th</sup> St for drainage.
- Engineer pulmonary phase at the water plant.
- Parks starting to dry up, the Sanitation District was awarded the grant money for the re-use line to get to Ceriani Park, this will help a lot for parks and the water plant. Hopefully will be in by fall.

Police Report – Interim Police Chief Annette Dopplick –

- Chief Dopplick has met and been in contact with the surrounding agencies. Surrounding deputies have been helping with coverage.
- Chief has been working with Manager Stoltman on filling the position of Police Officer, Police Technician, and Police Chief. So far, they have had very positive applications turned in and hopefully will have these positions filled as soon as possible.
- Chief has been keeping up with the changing policies in law enforcement.
- Trustee Pesch asked if a patrol car could be parked at the end of town, Chief Dopplick said that is something they could do to help with the speeding through town.

Manager Report – Dan Stoltman reported that sales tax numbers are about \$60,000.00 over the year to date, Manager Stoltman would still like to remain cautious on spending during this time. Manager Stoltman has been busy with all the job postings, he has received quite a few applications for the Treasurer/Finance position. No further discussion was made.

**Presentation from The Board of County Commissioners- General update** – Kris Manguso and Rich Cimino were both present to give an update to the Board. Commissioner Manguso brought up the Gallagher ballot question that will be seen on the County and State ballot in November. Commissioner Manguso mentioned that the proposed Gallagher ballot measure would repeal the "Gallagher Amendment" which has frozen the ratio of the total value of residential property to the total value of non-residential property. This would also stop the continued formulaic reduction of the residential rate in the future, she encouraged the Board to think about having this on the November town ballot. Kris Manguso wanted to thank the Board for writing the letter on not requiring masks be worn in public within Kremmling. Commissioner Manguso would like to continue pushing for local control and would like to see it be up to the business owner whether or not to enforce the mask mandate, she does not believe that anyone should have to be required to wear a mask out in public. Commissioner Cimino spoke a little bit on Peak Health Alliance. Peak Health Alliance works with communities in Colorado to create locally-led purchasing alliances that negotiate directly with health care providers and insurance carriers to reduce premiums and improve access to healthcare for individuals, businesses, and

organizations. The Commissioners wrapped up their update and wanted to thank the Board for allowing them to speak at the meeting.

**Comcast Presentation** –Manager Stoltman mentioned that the Town has a franchise agreement with Comcast for video and internet services in town, Comcast is going to be upgrading and expanding these services throughout Kremmling. Andy Davis was in attendance via Zoom to present and answer questions. Right now, Kremmling is one of the few towns left that does not have all of comcast services, Andy Davis is eager to bring the full suite of services to Kremmling, Comcast is now ready to get it done. Andy Davis concluded with the product and construction overview; stating that Comcast will be upgrading their existing network with fiber throughout every neighborhood in Kremmling. With state-of-the-art network technology, the construction will be 90% aerial and 10% underground. This network construction is expected to begin in the next few weeks and scheduled to be completed by October.

**Presentation/Training by CIRSA Legal Counsel Sam Light** – Sam Light introduced himself to the Board. Mr. Light is part of the General Counsel for CIRSA. Mr. Light gave a presentation and training to the Board Members, covering the topics of open meetings, ethics, avoiding personal liability risks, social media pages, and Board Member roles within the Town’s organizational structure. Mr. Light also covered many different liability issues relating to being a Town Board member. During the closure of the CIRSA training, Mr. Light thanked the Board and reminded them that if they need anything, they can always reach out to him.

**Discussion and Action on Ordinance 701 Amending Sections of the Town Code Relating to the Chief of Police and Town Marshal** – Manager Stoltman brought to the Board two options to change the town code relating to the Police Chief position. Manager Stoltman mentioned the first option is the hiring and removal are solely at the discretion of the Town Manager and the second option would consist of a hiring committee to hire the Chief, of which includes two members of the Board. He also mentioned the removal process of the Chief would go through the Town Manager, with reasons of removal presented. Mayor Pryor asked Interim Police Chief Dopplick what her thoughts were. Interim Dopplick’s opinion was that it is highly unusual for the Police Chief to report directly to the Board. After much deliberation The Board all agreed to keep it the way it already is without any changes to the code relating to the Chief of Police.
